Stichting Productieve Arbeid, an Engineering Test Institute, Public Enterprise, hereby confirms that the above mentioned products are in conformity with the essential technical requirements set forth in Annex 1 and that the technical documentation, including in Annex 2 of Government Regulation 1770016 Coll. (corresponding to Annex 2 and Annex 3 of Directive 2014/30/EU of the European Parliament and of the Council). The results of the technical documentation review, the data necessary for identification of the above-mentioned products and the conclusions drawn from testing are contained in the Final Report. The rules for using the Certificate are specified in Page 6.

Product certification scheme applied: SZU 1a/2020.06 (based on Scheme 1a of 18-DEC-19/07 which is based on 1a/2019.06)

Na 11. plenárnej schôdzke v júli 2016 EÚ (a nímže 2014/20 EÚ) bolo prijaté rozhodnutie o vytvorení nového mechanizmu na riešenie sporov medzi členskými štátmi a súdmi. Nové pravidlá nariadenia z uvedených noriem a štátov, ktoré súvisia s rozhodnutím nového systému, môžu znížiť súťažnosť, za ktorú by mohli byť zodpovední. V súčasnosti je podľa 11. plenárnej schôdzky rozhodnutia.

Payment of the requirements of Government Regulation 7 (1999) and project 2014/2003 has been achieved from sufficient of the contributions of the programs applied as specified in Page 1 of the Declaration. Accordingly, none of the essential documents cited in particular commitments to the programs or sections of new standards may trigger the circumstances under which the Declaration was issued. In such a case, the validity of the Declaration may be extended.

The Certificate may only be used as a certificate for the results indicated on Pages 1 to 6. It is also agreed to its use in advertising, promotional and publicity material. The certificate may not be used in its entirety without written consent of the Engineering Test Certificate Organisation or any person one of the Certificate may be considered.

It is important to always assign or reserve the same address in the database.

The Conditions may not be used for documenting the properties of the products stored in, without the consent of the Engineering Tool Product, in such a way that the conformity with the standards and technical regulations is not achieved.

The Commission shall oversee the Decision Unit in keeping records of all the complaints and corrective actions resulting from the complaints received by the Commission.
