6000	410	600	290 x 270
12000	460	720	310 x 280

IMPORTANT SAFETY INFORMATION

Read these safety warnings before operation.

WARNING!

Failure to heed these warnings may result in loss of load, damage to jack stands, and/or jack stand failure resulting in personal injury or property damage.

WARNING!

Do not overload jack stands beyond rated capacity. Overloading can cause damage to or failure of the jack stands.

POSITION LOAD ON CENTER OF SADDLE ONLY. ALWAYS USE STANDS IN PAIRS ON HARD, LEVEL SURFACE CAPABLE OF SUSTAINING THE LOAD. USE OF STANDS ON OTHER THAN HARD LEVEL SURFACES CAN RESULT IN STAND INSTABILITY AND POSSIBLE LOSS OF LOAD.

OPERATION

1. Refer to your vehicle owner's manual for proper jacking procedures. Lift only on areas of the vehicle as specified by vehicle manufacturer.
2. Position stands under vehicle at points specified by vehicle manufacturer as proper load support points.
3. To adjust stands: Hold control lever up while lifting saddle shaft to desired height. Push control lever down to lock pawl into teeth located in center column.

MAKE SURE PAWL IS FULLY ENGAGED INTO TEETH.

4. Carefully lower load onto stands

MAINTENANCE AND INSPECTION

1. Visual inspection shall be made before each use of the stands, checking for cracks, cracked welds and missing and/or damaged parts. Any stand that appears to be damaged in any way shall be removed from service immediately.
2. BECAUSE OF THE POTENTIAL HAZARDS ASSOCIATED WITH THE MISUSE OF EQUIPMENT OF THIS TYPE, NO MODIFICATIONS SHALL BE MADE TO THE PRODUCT.

GENERAL WARRANTY CONDITIONS

The importer of the product - Levior Ltd. provides for its products under the Commercial / Civil Code guarantee 6/24 months from the date of purchase.

1. The warranty covers defects and malfunctions that during the 6/24 month warranty period incurred a material defect. These defects will be repaired free of charge within 31 days from the date of receipt of the product from the store. Date of purchase must be shown properly completed guarantee certificate, invoice, receipt). Other claims relating to damage of any kind, direct or indirect, against persons or property are excluded.
2. The warranty does not cover defects caused by improper use, overloading, failure to comply with the instructions provided in the manual, the use of incorrect or improper accessories or tools, intervention by unauthorized persons, natural wear and tear or damage during transport. It also does not include accessories and parts that need periodic replacement.
3. If the fault is found to be subject to the warranty, all costs associated with the performance of a service technician according to the valid price list and shipping the product back to the owner of the product.
4. When making a claim on the warranty must be submitted to warranty card, which is only valid if it is dated production and sales, the stamp and signature of sales or proof of purchase receipt.
5. Warranty claim the dealer where you purchased the product. The seller is required to fill out the warranty card (date of sale, vendor stamp and signature). All such claims shall be filed immediately upon sale.
6. The products should be sent for repair only with a detailed description of the problem, the attached warranty, the best in original packaging, which for these purposes should be kept.
7. Products pass on to the service net of impurities. Otherwise, for hygienic reasons, can't take, or is required to charge a cleaning fee.
